### Public Workshop Scheduled for State Route 3

The California Department of Transportation (Caltrans), in cooperation with the community of Hayfork and Trinity County Regional Transportation Agency (RTPA), will host a public workshop to provide the public an opportunity to discuss the future of State Route 3. This input will assist Caltrans in developing a long-range planning document for the route called a Transportation Concept Report (TCR). The TCR is a plan that will address transportation on SR 3 for the next 20 years.

**When: Tuesday, November 8 2011, from 7:00 - 8:00 pm**

**Where: Hayfork High School Library  
231 Oak Street, Hayfork, CA**

Caltrans welcomes any suggestions or comments the public may have regarding the future plan for State Route 3. Representatives from Caltrans will be available to take comments and answer questions. There will be a brief presentation followed by an opportunity to talk about your ideas on what you want State Route 3 to look like in 20 years. Your input is important and will help guide future development. Comments or questions may be submitted at this meeting, by telephone, or by mail. Comments can be provided to: Caltrans District 2, Attention: Tamy Quigley, P.O.
